ABOUT

In 2015, my career as an architectural visualization artist began after a decade of dedicated work in design. My extensive background spans interior design, furniture, and product design. I had the privilege of actively participating in various international projects and engaging with vibrant design communities in Belgrade, New York, Doha, and Berlin.

PROFESSIONAL BACKGROUND

Senior 3D- Artist , Freelancer Berlin, Deutschland

5/2022 - Present

As a 3D architectural visualization artist, I specialize in creating high-quality images and animations for architectural studios across Germany and international markets.

Senior 3D- Artist , Morean GmbH, Berlin Deutschland

11/2021 - 5/2022 (6 Monate)

I was part of an architectural visualization team. My task involved creating animations according to the clients' instructions.

Senior 3D- Artist , Henn GmbH, Berlin Deutschland

9/2016 - 10/2021 (5 Jahren)

I was part of an architectural visualization team. My task involved creating digital images according to the instructions of senior architects.

Junior 3D- Artist , Moka Studio, Hamburg Deutschland

4/2016 - 9/2016 (6 Monate)

I was part of an architectural visualization team. My task was to create digital images according to the instructions of senior architects.

Senior interior architect , Albaker architects, Doha Qatar

4/2012 - 5/2014 (2 Jahren)

My task was to design several interior architecture projects in the hospitality sector, primarily in the Middle East.

Interior architect , Studio GAIA , New York US

3/2007 - 4/2009 (2 Jahren)

My task was to design several interior architecture projects in the hospitality sector, primarily in the USA.
